- Learn about the strategic planning process
- Provide feedback and participate in a live audience survey
- Hear the ideas of city council and other residents
- Provide input into how to make the city a better place to live and work
- Ask questions about what the city is doing to prepare itself for the future

Your feedback is critical. Please come with a cell phone or web-enabled device to participate in the polling. If you have any questions, please contact Conae Black at (435) 564-3448x2.
